FOREWORD

The month of May belongs to iris. The new colorings are very lovely, and many fine varieties are now priced low enough for a wider distribution. Arrange to see them in bloom and order for later delivery. Bearded Iris like sun and good drainage.

TERMS

Cash with order, or roots will be sent C.O.D. if a 25% deposit is made. No order accepted for less than \$2.00. Ohio customers add sales tax.

Shipments - Bearded Iris are shipped from July to early October. None sent in spring. Beardless Iris are planted in early spring or fall. All freshly dug on order.

Postage - All items prepaid on orders of \$2.00 and over, except for mass planting or mixtures. Please do not send stamps.

Location - We are located on the Three C Highway (State Route #3) about 10 miles from the business center of Cincinnati, and the Kenwood bus passes the place. You are cordially invited to visit the gardens at any time.
